

New Break Announces Receipt of DTC Eligibility in the United States

Toronto, Ontario, May 22, 2026 – New Break Resources Ltd. (**CSE: NBRK**) (**OTCQB: NBRKF**) (**FRA: O91**) (“**New Break**” or the “**Company**”) is pleased to announce that its common shares are now eligible for electronic clearing and settlement in the United States through the Depository Trust Company (“**DTC**”).

As a subsidiary of the Depository Trust & Clearing Corporation, DTC handles electronic clearing and settlement for publicly traded companies. With DTC eligibility, the Company’s shares can now be traded across a wider network of brokerage firms, accelerating the settlement process and improving access for a broader range of investors. DTC eligibility is expected to simplify the trading of New Break shares and enhance liquidity in the United States. The Company’s shares recently began trading on the OTCQB® Venture Market (“**OTCQB**”) under the ticker symbol **NBRKF**.

"Achieving DTC eligibility reflects our commitment to building New Break into a company that is accessible to investors across North America and Europe," said Michael Farrant, President of New Break. "Our recently announced results from 2026 drilling, point to our Moray gold project, located in the famed Ontario Abitibi greenstone belt, as having the potential to grow into a significant gold deposit along the lines of the Young-Davidson gold mine, located 32 km to the southeast of Moray and operated by Alamos Gold Inc. We know that U.S. investors see immense value in investing in a gold discovery of Moray’s calibre, located in one of the best mining jurisdictions in the world, and we want those investors to be able to participate easily and efficiently in New Break’s growth story."
